DONOR & SPONSOR PACKET

MISSION STATEMENT

Capital Edge Theater is a Veteran-founded, 501(c)(3) community theater rooted in Fort Washington, MD. We are committed to advancing the development of local culture and strengthening connection by leveraging theatrical productions as a dynamic platform for fostering civic pride and deepening community engagement.

A SERVICE THEATER

It is increasingly difficult as adults to find places where we get to play or be encouraged to try new paths for growth; spaces where we are invited to share low-stakes/high-reward common goals and problem-solve together through creative outlets.. **That's why we're here.** Capital Edge Theater is a process focused, explorative initiative that strives to establish an environment of welcoming play for all adults. That's the beauty of theater- there really is some facet of stagecraft for all types of personalities and strengths, ranging from performance to scenic design to backstage coordination.

Come spend a day, a season, or a lifetime learning with us at Capital Edge.
